

As trade fair agency and stand building company, the EXTERNE MESSEABTEILUNG has been combining marketing, project management and craftsmanship in all matters relating to trade fairs, congresses and events for 20 years. By designing and building exhibition stands, we enable our international customers to present their companies worldwide. We believe that meeting people are necessary for ideas & innovation to emerge. And we are convinced that trade fairs can be a more sustainable place for personal dialogue in the future. As a family-run company, we are making our contribution to this.

**At the earliest possible date, we are looking for a**

**Warehouse logistics employee / warehouse clerk (m/f/d) in**

- Set up and packing exhibition stands in coordination with the warehouse management
- Picking, issuing and returning material from customer orders, e.g. rental furniture
- Loading and unloading lorries
- Collecting and transporting trade fair materials in the company's own vans
- Processing incoming goods, storage and stock maintenance
- Repair and maintenance of exhibition material
- Warehouse maintenance and general warehouse work

## Your profile:

- You have completed training in warehouse logistics or have relevant professional experience as a warehouse clerk
- You have technical understanding and manual dexterity
- You have a good knowledge of German or English in speaking and writing
- You have a driving licence up to 3.5 t and ideally a forklift licence
- You are reliable, committed and enjoy your work

## What we offer you:

In addition to the fact that you would be working in the scenic Black Forest, we offer

- A permanent employment contract
- Regulated working hours, 4- or 5-day week, Sat/Sun off, Saturdays also possible in exceptional cases
- A good working atmosphere: working in a family team with stability and fun
- Free drinks at the workplace
- Team-Events
- An attractive salary with up to 30 days holiday and other extras
- Friendly offices and very good transport connections
- Work clothes
- Accommodation can be arranged for a transitional phase
